

# Eyes Ears Nose and Paws

a nonprofit organization that trains and places  
assistance dogs with individuals with disabilities

---

**open house** Sat, Jan 23, 12-5pm

**209 Lloyd St., Suite 320 • Carrboro, NC 27510**

*Please join us to see our new training facility, meet our dogs, find out more about our training process, and learn more about where we're going in the next year.*

## **Demos**

Volunteer trainers will be doing demos with our dogs at 12:30, 1:30, 2:30, 3:30 and 4:30. Learn how we train our dogs to detect changes in blood sugar levels and assist individuals with mobility problems. See how these dogs can:

- take off socks
- make an emergency phone call
- open doors
- retrieve medical kits
- push buttons
- retrieve dropped objects

## **Facility Tours**

Walk around our training facility and office, and learn why we've set our training area up like a home. See how we use our magnetic wall to teach the dogs to turn on lights.

## **Meet Us**

Meet our staff, board, volunteers and dogs, and get your questions answered. Learn about how we train our dogs and how we match them with clients.

## **Get Involved**

We'll have information about a variety of ways you can get involved. We'd love to talk to you about your interest in EENP.

## **Bring a Friend**

Please spread the word and bring a friend who might be interested in EENP! The entire family is welcome, but please no pet dogs, as our dogs will be working.

Give us a call or email if you have any questions. We look forward to seeing you here on Saturday, January 23rd!

---

**Our Service Dogs** work with individuals with mobility impairments, and our **Diabetic Assistance Dogs** help individuals with insulin-dependent diabetes.
