

Eyes Ears Nose and Paws

a nonprofit organization that trains and places
assistance dogs with individuals with disabilities

open house Tuesday, May 11, 5:00-7:30pm

209 Lloyd St., Suite 320 • Carrboro, NC 27510

Please join us to see our training facility, meet some of our dogs, find out more about our training process, and learn more about where we're going in the next year.

Demos

Trainers will be doing demos with our dogs at 5:30, 6:15 and 7:00 pm. Learn how we train our dogs to detect changes in blood sugar levels and assist individuals with mobility problems. See how these dogs can:

- take off socks
- make an emergency phone call
- open doors
- retrieve medical kits
- push buttons
- retrieve dropped objects

Facility Tours

Walk around our training facility and office, and learn why we've set our training area up like a home. See how we use our magnetic wall to teach the dogs to turn on lights.

Meet Us

Meet our staff, board, volunteers and dogs, and get your questions answered. Learn about how we train our dogs and how we match them with clients.

Get Involved

We'll have information about a variety of ways you can get involved. We'd love to talk to you about your interest in EENP.

Bring a Friend

Please spread the word and bring a friend who might be interested in EENP! The entire family is welcome, but please no pet dogs, as our dogs will be working.

Give us a call or email if you have any questions. We look forward to seeing you here on Tuesday, May 11th!

Our Service Dogs work with individuals with mobility impairments, and our **Diabetic Assistance Dogs** help individuals with insulin-dependent diabetes.
